

**A**s a valued Georgia MLS member, you now have access to a free, professional and fully customizable office website. You're in control of this enhanced, easy-to-navigate site. Changes to your new office site are updated in real time and can be modified as often as you'd like. Give it a try!

- Customize the website address
- Upload your office photo and logo
- Choose from an assortment of eye-catching banners
- Edit the *About Us* and *Welcome* sections to fully personalize your office site
- Add more pages to your office site at no cost

**I**n addition, your new, free office website has a number of other exciting features:

- Featured listings on the homepage
- Search results displayed in an attractive photo gallery

- Same powerful search component as Georgia MLS' public site, [www.georgiamls.com](http://www.georgiamls.com)
- Search By Map feature with satellite imagery
- Photos updated daily; Data uploaded every 30 minutes, 24/7
- Leads generated directly to the office associated with the site
- Site statistics of viewed properties are easily accessible

Your default web address is "**<http://xxxx.GeorgiaMLS.com>**" where the prefix "xxxx" is your GAMLs Broker Code. Log on now and click the *Admin* button to start customizing!
